

# Sharing Life

## **The Woman at the Well (John 4:4-42)**

### **Jesus Shares Life with the Woman**

He guides the conversation

- Lets her see her need
- Lets her see that she cannot meet her need
- Lets her see that He can meet her real need

### **The Woman Shares life with the people in the town**

- Shares what Jesus has done for her
- Points others to come to Him

### **Jesus Teaches His Disciples to Share life with others**

- Demonstrates that being a part of God's work is like food (it brings nourishment and joy)
- Says to open your eyes, the harvest is ready (people want and need to hear about Jesus)
- Encourages them to play their part and enjoy the reward

**You have permission to share your faith in Jesus!**
